

## THE WRIGHT CENTER FOR GRADUATE MEDICAL EDUCATION

### FELLOW AGREEMENT

THIS AGREEMENT, dated as of \_\_\_\_\_, is entered into by and between \_\_\_\_\_ ("Fellow" or "Fellow Physician") and The Wright Center for Graduate Medical Education, a non-profit corporation organized and existing under the laws of the Commonwealth of Pennsylvania with principal offices at 501 Madison Avenue, Scranton, Pennsylvania 18510 ("WCGME").

WHEREAS, WCGME is a sponsoring institution offering fellowship training in Cardiovascular Disease and Geriatric Medicine as accredited and approved by the Accreditation Council on Graduate Medical Education ("ACGME") and the American Osteopathic Association ("AOA"), as appropriate (in the singular and collectively "Fellowship Program"); and

WHEREAS, WCGME has offered, and Fellow Physician has accepted, an appointment to WCGME's Fellowship Program under the terms and conditions set forth in this Agreement; and

WHEREAS, various manuals, handbooks, policies and procedures are referenced and incorporated herein and may be revised, amended or newly issued from time to time as a result of accreditation requirements or at the discretion of WCGME, as the case may be, which Fellow acknowledges and with which Fellow agrees.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement and **intending to be legally bound hereby**, WCGME and Fellow Physician agree that Fellow shall accept the appointment on the terms and conditions herein.

#### 1. Level and Term of Training Appointment

The Fellowship Program Director is responsible for determining the Fellow Physician's level of training appointment and the specific duties assigned. By this Agreement, WCGME agrees, and Fellow Physician accepts, appointment as a \_\_\_\_\_ Fellow in the \_\_\_\_\_ Fellowship Program contingent on Fellow meeting all prerequisites to employment set forth in this Agreement. The term of appointment shall be referred to as the "program year." The Fellow's employment shall commence on July 1, 2014 and shall continue for a period of one year, up through and including June 30, 2015 unless (a) terminated sooner in accordance with the terms of this Agreement, or (b) the Fellow's training is extended for any reason, in which case the terms of this Agreement shall remain in effect through completion of the program year. Fellow Physician has no expectation of automatically continued employment beyond the program year. However, the Fellow Physician, if progressing through the Program satisfactorily and absent any breach of this Agreement or violation of applicable rules, regulations or expectations, may

generally expect to progress to a subsequent year of training, barring any program funding or accreditation issues. Upon satisfactory completion of three years of training in the Wright Center for Graduate Medical Education Fellowship Program, Fellows who have otherwise satisfied all obligations to the Wright Center for Graduate Medical Education will be eligible to sit for the Specialty Certification Exam, as appropriate.

2. Effective Date

This Agreement shall be effective as of the date of execution by all parties hereto.

3. Subsequent Program Year

Renewal of this Agreement for a subsequent program year is dependent upon satisfactory progress by the Fellow Physician as determined solely by evaluation of the Fellow's performance by the Fellowship Program Director and faculty, and successful completion of the USMLE Step III or the COMLEX III Examination, as defined in the House Staff Manual. WCGME shall use its best efforts to notify Fellow at least four (4) months prior to the expiration of the current term of employment pursuant to this Agreement regarding renewal or non-renewal of this Agreement and, if renewed, the term of such renewal. However, if the primary reason(s) for the non-renewal occurs within the four months prior to the expiration of the then-current term, the Fellow Physician shall be provided with as much notice of non-renewal intent as the circumstances will reasonably permit. In any event, nothing in this Agreement shall be construed to confer upon Fellow Physician an automatic right to extension of this Agreement for a subsequent Fellowship year or part thereof.

4. Termination of Agreement and Due Process

- a. Fellow Physician may terminate this Agreement voluntarily by providing no fewer than sixty (60) days prior written notice to the Program Director, via hand delivery to the GME Office or certified mail with return receipt, absent extraordinary circumstances which, in WCGME's sole discretion, are determined to be beyond the Fellow's control.
- b. WCGME may terminate this Agreement with or without notice should Fellow fail to meet all prerequisites of training (see paragraph 7 of this Agreement) or make any material misrepresentation or breach any warranty in connection with any aspect of the Fellow's appointment, employment with WCGME or training.
- c. WCGME may terminate this Agreement immediately and without notice under the following circumstances:
  - (i) Fellow fails to commence employment on July 1, 2014.
  - (ii) Fellow Physician's dismissal from the Fellowship Program.
  - (iii) Fellow Physician's termination by any affiliated hospital or training site.

- (iv) Death or permanent disability of the Fellow Physician.
  - (v) Bankruptcy, insolvency, receivership, reduction in the Fellowship Program, or cessation of operations of WCGME.
  - (vi) WCGME's determination that continuation of the Fellow Physician's continued employment would pose an unreasonable risk of harm to patients, other employees, or others; or would adversely affect the confidence of the public or affiliated training sites in the services provided by WCGME.
  - (vii) Fellow Physician's failure to pass any drug test.
  - (viii) Fellow Physician conduct that is reasonably considered by WCGME or its partners to be gross insubordination, gross dereliction of duty, unethical, fraudulent, unlawful, or adverse to the interest, reputation, or operations of WCGME or any affiliated training site.
  - (ix) Fellow Physician is charged with or convicted of a crime for which applicable state and federal law allow or demand adverse employment action.
  - (x) Fellow Physician has been suspended, excluded, or debarred from any federal government payer program.
- d. WCGME may terminate this Agreement should Fellow Physician engage in any conduct in any forum and of any type inimical to the Fellowship Program or WCGME institutional standards (in the sole determination of WCGME) before or during the term of this Agreement, subject to the Corrective Action and Grievance Policies set forth in the House Staff Manual.
- e. A Fellow Physician who is terminated from the Fellowship Program may request fair and reasonable review of that decision under the WCGME Grievance Policy in the House Staff Manual.
- f. In the event that this Agreement is terminated, Fellow shall only be paid the compensation earned as of the time of such termination.
- g. Termination of this Agreement shall not release or discharge either party from any obligation, debt or liability which shall have previously accrued and remains to be performed on or after the date of termination.
5. Assignment of Fellow Physician Responsibilities

The Fellowship Program Director or his/her assigned designee is responsible for the delineation of Fellow Physician responsibilities.

6. Financial Support and Benefits

- a. WCGME shall provide appropriate financial support and benefits (including vacation, paid and unpaid leave) to ensure that Fellow Physician is able to fulfill the responsibilities of the Fellowship Program. As compensation for all services rendered during the term of this Agreement, WCGME shall pay to the Physician Fellow a Stipend commensurate with the Fellow's level of training, which shall be payable in accordance with WCGME's normal payroll policies, subject to mandatory withholding pursuant to applicable laws.
- b. Compensation for Fellow Physicians for the 2014-2015 fiscal year are as follows:

Fellow Year 1: \$57,054.00

Details regarding the financial support and benefits for the appointment described herein, including hospital and health insurance benefits, disability benefits, paid leave (including vacation, sick and other leaves) are described in more detail on the WCGME Graduate Medical Education website and in the House Staff Manual. Leave must be approved in advance. If the ACGME, AOA, or applicable Specialty Board restricts time off to less than the leave provided in the House Staff Manual during any program year, Program Director will defer to the allowable board eligibility requirement(s). Any leave taken beyond that permitted by program requirements may result in the Fellow having to extend training accordingly.

The benefits described in the House Staff Manual may be modified from time to time by WCGME in its discretion. WCGME will use its best efforts to notify Fellow Physician of significant changes as they occur with respect to such financial support or benefits.

- c. No payment or compensation of any kind or nature shall be paid to or accepted by Fellow from patients or third party payers or any other sources for performance or any services rendered pursuant to this Agreement.
- d. In addition, Physician Fellow shall receive employee benefits in accordance with the applicable WCGME policies and benefit programs, which are subject to amendment with or without notice in WCGME's sole discretion and as described in the House Staff Manual and applicable plan documents.

- e. Physician Fellow acknowledges that all of the compensation payable under this Agreement shall constitute compensation for rendering professional medical services, and that no portion of the compensation payable hereunder constitutes remuneration in return for the referral of patients or the ordering of tests or supplies.

7. Fellow Physician Prerequisites to Begin Training

Eligibility to begin training and receive the financial support and benefits outlined in this Agreement requires that, at minimum, Fellow meet certain requirements, summarized as follows:

The Fellow Physician's performance will be evaluated regularly with periodic feedback provided. Fellow Physicians who remain in good standing and who continually perform satisfactorily as determined by the Program Director and Fellowship Program faculty may be eligible for promotion to the next level of responsibility, and ultimately may be awarded a certificate of completion from the Fellowship Program. However, in all cases, the term of Fellow's appointment pursuant to this Agreement shall not exceed one (1) year.

Fellow Physicians who have performed at a lower than satisfactory level or fail to meet program requirements for progress approval as determined by the Program Director and Fellowship Program faculty may be subject to corrective action as outlined in the Corrective Action policy in the House Staff Manual. In any such case, Fellows may be provided with an opportunity for remediation and performance improvement in accordance with the Corrective Action policy.

Fellow Physicians who fail to improve, or who engage in unacceptable conduct that does not warrant remediation, may be required to extend their training in the program year, or may be placed on probation, suspended with or without pay, not offered a subsequent year agreement, or dismissed. The specific processes for evaluation and the parameters of corrective action are outlined in the Graduate Medical Education Evaluation and Corrective Action policies in the House Staff Manual.

18. False Claims Act and Whistleblower Protections

a. False Claims Act

All staff, faculty, and house staff are required to report all known or suspected violations of the Federal False Claims Act (“FCA”) as more fully described in the House Staff Manual. Examples of violations of the FCA are (i) submission of a claim to Medicare for payment for services not rendered, or (ii) falsification of a time and effort report in connection with a claim for reimbursement from government grant. It is WCGME's policy that persons reporting such suspected violations (sometimes referred to as “whistleblowers”) will not be retaliated against for making such reports in good faith.

b. Whistleblower Pilot Program

Effective July 1, 2013, a new federal law went into effect that protects employees of federal grantees, like WCGME, from dismissal, demotion or infliction of any other type of discrimination in retaliation for disclosing to certain people or agencies identified in the law that the employee reasonably believes that WCGME engaged in specific types of prohibited conduct. The specific prohibited conduct under the new law includes gross mismanagement of a grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, or that WCGME poses a substantial and specific danger to public health or safety or a violation of law, rule, or regulation related to a federal grant. The new Whistleblower Pilot Program applies in instances where the disclosure of prohibited conduct is made to a Member of Congress or a representative of a committee of Congress, an Inspector General, the Government Accountability Office, the employee responsible for grant oversight or management at the relevant agency, an authorized official of the Department of Justice or other law enforcement agency, a court or grand jury, or WCGME's Compliance Officer or other WCGME employee who has the responsibility to investigate, discover, or address misconduct. These protections are not waivable by Fellows.

19. Illness or Injury related to Fellowship Program Involvement

Any illness or injury related to Fellowship Program involvement must be reported immediately to the Program Director or his/her designee and the WCGME Office of Graduate Medical Education (“GME Office”). Absences necessitated by such illnesses or injuries will be addressed in accordance with WCGME policy. Academic credit will be considered on an individual basis by the Program Director in consultation with the DIO in accordance with State Licensing and Specialty Board requirements.

20. Strict Performance

No failure by either party to insist upon the strict performance of any covenant, agreement, term or condition of this Agreement or to exercise a right or remedy shall constitute a waiver. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, condition,

agreement and term of this Agreement shall continue to full force and effect with respect to any other existing or subsequent breach.

21. Captions and Constructions

The captions used as headings of the various paragraphs hereof are for convenience only, and the parties agree that such captions are not to be construed to be part of this Agreement or to be used in determining or construing the intent or context of this Agreement.

22. Severability

If any clause, sentence, provision, or other portion of this Agreement is or becomes illegal, null, or unenforceable for any reason, or is held by any court of competent jurisdiction to be so, the remaining portions shall remain in force and effect.

23. Entire Agreement

This Agreement supersedes any and all prior Agreements, either oral or in writing, between the parties with respect to the subject matter hereof, and contains the entire agreement between the parties relating to said subject matter.

24. Controlling Law

The laws of the Commonwealth of Pennsylvania shall govern this Agreement in all respects, the interpretation and enforcement thereof, and the rights of the parties.
