

Dear Community Partner,

The Wright Center proudly serves the community of Northeastern Pennsylvania, providing safety-net primary care services to all individuals regardless of ability to pay. Our primary care offices are located in Jermyn, Clarks Summit, Wilkes-Barre and Scranton and each year we host a health fair at our Wright Center for Primary Care Mid Valley to encourage preventative screenings, promote a sense of community and provide an opportunity for our partners to share their services with those who attend the event. We have been coordinating this event for the last nine years and, in previous years, have had over 400 community members of all ages attend.

This year's Fall into Health Fair will be held on Sunday, October 28, rain or shine, at The Wright Center for Primary Care Mid Valley, 5 South Washington Avenue, Jermyn. The health fair will be held from 10:00am – 2:00pm. This year, we will host our second annual Trunk & Treat in conjunction with our Health Fair, giving families a chance to trick or treat from the safety of our Mid Valley practice parking lot. Everyone is encouraged to participate! Proceeds from this year's event will benefit our Community Health Hub's (EIN # 27-3582779) "Driving Better Health" initiative, designed to alleviate transportation barriers to high-quality healthcare faced by many members of our community.

We are reaching out to you because of your involvement in the community and we hope you will consider becoming a valuable partner of this year's event. We are asking for your support and sponsorship and are appreciative of any contribution that you can offer. Our sponsorship opportunities are outlined on the following page.

We also invite you, your family, your friends and your employees to attend the health fair so we can acknowledge your generosity and thank you personally for your support.

If you have any questions please contact Betsy McGrath at 570-343-2383 ext. 2351. Thank you for considering our request for sponsorship of the 2018 Community Fall into Health Fair and Trunk & Treat; we look forward to hearing from you.

In health,

Linda Thomas-Hemak, MD

Betsy McGrath
